MR 2.1 FSC Certified Tropical Wood

a) Notice to Suppliers of preference for FSC products:

Gaitaud Construction prefers to purchase products that contain tropical wood only if they are certified according to the guidelines of the Forest Stewardship Council (FSC). Please provide the country of manufacture of each product you expect to supply to us. Also, please provide a list of FSC-certified products you can supply. Thank you for your assistance in helping us achieve a LEED Platinum rating for this home.

Sincerely,

Phil Gaitaud
